Mrs. Mary W. Lasker  
Chrysler Building  
New York, New York.

Dear Mrs. Lasker:

As you are probably aware, it is our practice to issue press announcements of new appointments to the National Advisory Cancer Council.

The enclosed draft of a release on your appointment was prepared from biographical material available in our files. It will be appreciated if you will check this over for accuracy, make any changes or additions you wish, and return it as soon as convenient. We propose to send this release to newspapers in the New York area, and to any other newspapers or journals you may specify. We should also appreciate knowing how many copies of the release you would like for your own use.

I should like to add my word of welcome to you as a new council member and to assure you of my full cooperation in your work with the National Cancer Institute.

Sincerely yours

James F. Kieley  
Head, Cancer Reports Section  
National Cancer Institute.
